USD PAYMENT Due to the recent fluctuation of the LKR our purchase prices are changing every day, instead of printing new menus all the time we have decided to save some trees and put our menu prices in USD. You're also welcome to pay by LKR with cash. All card payments will be done in LKR, we will use the daily exchange rate from Sampath Bank to calculate the amount in LKR. Due to the lack of USD change, any change will be given in LKR notes. For all payments in USD, EUR, AUD or GBP cash notes we will give an additional 5% discount on your bill.
